The Nashua Parks & Recreation Dept., in partnership with the Nashua Senior Activity Center, will be hosting a **Snowshoe Program this winter beginning Wednesday January 6, 2015** (or when there is snow on the ground thereafter).

**The Snowshoe Program will run Wednesdays at the Whipple Street entrance to Mine Falls & Fridays at the Lincoln Park Entrance to Mine Falls. All snowshoe walks start at 10:00 am beginning January 6th.** The program will run through February depending on snow cover.

Participants will need to provide their own snowshoes and dress in layers with warm clothing. This is a fun way to enjoy the outdoors in winter and make some new friends in the process.

For additional information please contact Tom Dwane at the Recreation Dept. at 589-3370.
